

## CONSTRUCTION MATERIALS

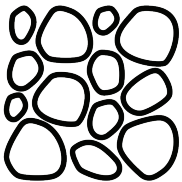

### Sand Supply

We provide high-quality sand for construction projects, ideal for foundations, roadworks, and more.

### Gravel and Aggregates

Our gravel is perfect for use in bases, drainage systems, and other infrastructure projects.

### Decorative Stones

We offer a variety of decorative stones that can transform outdoor spaces and landscaping.

### Transportation

In addition to material sales, we offer transportation services to ensure products are delivered on time and in optimal condition.

### What We Do:

At **Silver State NV Materials LLC**, we provide essential materials for infrastructure construction. Our expertise and dedication enable us to offer products like sand, gravel, and decorative stones that meet the demands of any construction project. We are also equipped to provide loader rentals, water truck rentals, clean-up services, and haul-off services for debris, dirt, rocks, concrete, and asphalt. We are committed to ensuring the quality of our materials, providing a strong foundation for success in every project.

## HOW ARE WE DIFFERENT?

**Silver State NV Materials** strives for continual improvement in safety, production, quality, profit and continued community service to the benefit of our stakeholders, employees, customers and surrounding communities.

| Well-Defined Management System

| Understanding Customer Expectations

| Stakeholder Commitment
